

# BungoTaiga is a Racist Pedophile

\*\*\*PLEASE BE AWARE THERE ARE GRAPHIC NSFW IMAGES IN THIS DOC\*\*\*

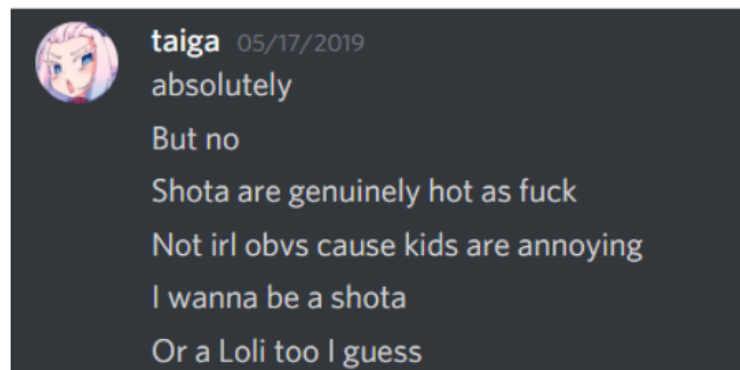

BungoTaiga (currently @bungotaiga on twitter) is a VTuber who, despite appearing nice and cheerful in public, has made several concerning actions behind the scenes. These actions include pedophilia, racism, transphobia, and general toxicity. For those who are sensitive to such discussions, consider this a trigger warning for the aforementioned things. This document is a group collaboration of BungoTaiga's own moderators, both current and former, as well as the victims of his actions and behavior, to highlight and expose him as the toxic, disturbing and dangerous threat to the community that he really is.

Within the provided documents, you will see various names and profile pictures he has used in the past, to which we will try to link everything together at the end as proof these are all the actions of the same person.

Many names and profile pictures have been censored to protect the identity of the people who are in these screenshots. Beyond covering these names, the images here have not been edited or doctored in any way.

## PEDOPHILIA

We start with the worst thing about him to warn you all how dangerous he is, and that is the fact that BungoTaiga is a pedophile. He has denounced Shotacon and Lolicon publicly when confronted on the topic, but that is more to save face than anything else, as he has consistently admitted that he finds young children to be sexually attractive in private messages and backchannels.

This is made significantly worse when you take into account the several instances he has referred to minors in a predatory fashion. In the images below, he can be seen excitedly demanding the nudes of a minor, and upon finding out that they were 17 years old, he expresses his disappointment that the victim photographed wasn't prepubescent.

He has consistently talked about wanting to be sexually assaulted as a minor, even going so far as to say that he would sexually assault himself, if he were to encounter himself as a child today.

BungoTaiga has a consistent habit of commissioning artwork of his original characters as children, aging from prepubescent to just older than an infant. All of these images are sexual in nature and are largely kept private. BungoTaiga also will often crop this pornography of underage characters to show it on Twitter, on his livestreams, and create profile pictures. The images pictured below are all confirmed to be commissioned by BungoTaiga

Shown below are instances that he has shown his affinity for sexualizing children in now deleted posts and renamed twitter accounts. You can easily find these posts by searching @ralicats or @BungoTaiga in the Wayback Machine.

If you think he could have changed such behavior during this time, think twice.

Pictured below, someone asks for the information regarding an incident in which BungoTaiga had allowed for a minor's nudes to be on his server. Due to the fact there are no direct screenshots of taiga, this may need to be taken with a grain of salt.

do you remember [redacted] or whatever

I heard he actually posted nudes there  
that true?

[redacted] 10/21/2020

near the end, right before he was kicked

I don't remember if it was theirs or not

[redacted] 10/21/2020

ah I see

I was gone when it happened and came back and he was gone  
just thought he got kicked for being annoying

[redacted] 10/21/2020

I was asleep and woke up to [redacted] removing them, cause Taiga was a bitch about it

[redacted] 10/21/2020

taiga was a bitch about it?

[redacted] 10/21/2020

they needed gone sooner honestly  
not removing them or caring

[redacted] 10/21/2020

he didn't want to remove 14 year old nudes

I see

"Himepen" was another VTuber that was exposed as a pedophile in 2020. BungoTaiga outwardly made it a point to criticise this, but once again expresses his true opinions behind closed doors. Not only does he defend Himepen and her behavior, but he criticises and attacks those that would condemn her. Below, you can see his opinion is that she was not only in the right for lusting after young children, but was a member of the community that was, in his own words: "nothing but nice."

 **taiga** 06/22/2020  
but the evidence is weak at best  
it's clear whoever this is has been stalking and harassing her for years, following her to whatever community she goes to  
They probably saw hime's irl pics, fell in love, had their heart broken, and are now trying to ruin her life  
That's just my theory tho ❤️

 06/22/2020  
I think im more concerned about the behavior and the language she used. I havnt finished reading the document as I am currently working.  
But i agree, to let the police handle it as this situation is a bit fragile.

 **taiga** 06/22/2020  
sure I get that  
But you gotta remember that this didn't happen yesterday  
People change  
Himari has been nothing but nice to every single person in this community  
Giving them a chance to grow by interviewing them  
Sure it wasn't very nice, but it was also two years ago  
We really gonna kick her out of the community because she said something mean two years ago?  
especially since that's the only instance of her ever being like that, so I'm inclined to believe she genuinely just was upset

 **taiga** 06/22/2020  
GOD I FUCKING HATE THIS GUY <https://twitter.com/KekoVirtual/status/1275169327201869825>

**Virtual Keko (@KekoVirtual)**  
Well since the Himepen stuff is finally being discussed after months, imma sit back and watch the tons and tons of people who collab'd with her and made fanart of her go full maximum DAMAGE CONTROL to protect themselves.  
I don't blame them, to be honest.  
Twitter

 **taiga** 06/22/2020  
do I hit send

im so beyond tired of this idiot  
he followed me when I first started then kept subtweeting about new vtubers and how they only do it for money  
then unfollowed me when I surpassed him on twitch

   
Tweet

okay I wasn't gonna say anything but holy shit keko you are so fucking toxic and stupid. You think everyone that collab'd with hime is a pedo by proxy? how bitter can you fucking get dude?

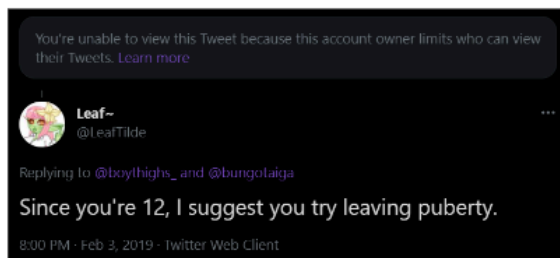

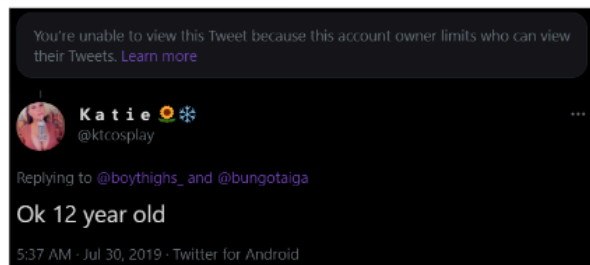

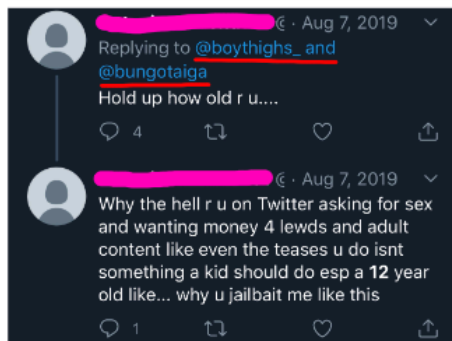

Its amazing that you view people speaking out as damage control. Grow the fuck up Keko.

BungoTaiga has shown obsessive behavior over his own perceived fame, and profiting off of the VTuber community by any means necessary, regardless of the people he endangers in this pursuit. Below are multiple listed examples of BungoTaiga posing as a minor as young as 12 years old when posting nude or scantily-clad images of himself to network with sexual predators and fellow pedophiles, bringing them into the VTuber community in an attempt to benefit himself.

## RACISM

BungoTaiga has a history of making racist remarks towards people that he doesn't like, he makes racist jokes and jabs at people and has previously talked badly about BLM. Much of it has been lost due to it being on previous, private, and suspended accounts. But here is what was recovered.

## TRANSPHOBIA

BungoTaiga has consistently shown a lack of respect for transgender people in multiple ways. He will often misgender transgender people both in voice chat, DMs and publicly as a form of passive aggressive disrespect.

## GENERAL TOXICITY

The following section will be of various examples where BungoTaiga's toxic personality has leaked out. A more detailed document with more examples has been made by another collaborator, make sure to check it out if you would like to know more.

 **taiga** 07/17/2020  
I hope [redacted] dies.

 **taiga** 07/17/2020  
I dont have that kind of luxury, im a lot bigger and so is [redacted]

 **taiga** 07/17/2020  
[redacted]'s arguement that because I commissioned some pictures of a very shota looking taiga that I was a pedophile.  
(edited)

 [redacted] 07/17/2020  
but that means they believed it. [redacted] didnt believe [redacted] didnt believe him.

 **taiga** 07/17/2020  
If they really are avoiding you and being with [redacted] instead its because [redacted] *insinuated to them I was a pedophile*

 **taiga** 07/28/2020  
[redacted] sent me screenshots of [redacted] complaining that no one showed up to his streams

 [redacted] 07/28/2020  
i found [redacted]

 **taiga** 07/28/2020  
[redacted] made that table meme and got over 700 likes but only pulled 5 average viewers in his most recent stream 🤔🤔🤔🤔🤔

 **taiga** 07/25/2020  
[redacted]

 **taiga** 07/25/2020  
scumbag [redacted] just inserting himself in the table of people who used to be friends with me before he spread those rumors (edited)

 **taiga** 07/17/2020  
yeah woulda loved to participate in that but of course fucking [redacted] is in it

 **taiga** 07/17/2020  
[redacted] should be sent to jail for even thinking about spreading a rumor like that

 **taiga** 05/28/2020  
Scumbag [redacted] doesn't even show up my streams

 [redacted] 05/28/2020  
who?

 **taiga** 05/28/2020  
My so called "bestfriend"  
Hes so clingy yet won't even show up to streams???

- [redacted] 06/18/2020  
Taiga, talk to me
- taiga 06/18/2020  
whats up
- [redacted] 06/18/2020  
i just caught up with chat, are you really that mad with [redacted]  
I know its not my place..I know I shouldn't get involved....I just want to help.....
- taiga 06/18/2020  
it really does seem like he only wants the clout for being friends with me
- [redacted] 06/18/2020  
why do you think that? Explain it to me, help me understand...
- taiga 06/18/2020  
he completely avoids me in my own discord server  
and only talks to other members
- [redacted] 06/18/2020  
i wonder why....every time you guys do interact, it turns very negative
- taiga 06/18/2020  
and like I keep saying he never shows up to my streams  
even before his audio broke he didnt

## Proof of identity

If he is referred to as a name other than Taiga then you may find proof of his various alternate names and the connection between each other here.

Thank you @ralicats for commissioning me with your adorable OC OuO)b!!
